THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

National Intelligence Officers

MEMORANDUM FOR: National Intelligence Steering Group

FROM : Robert R. Bowie  
Deputy to the DCI for National Intelligence  
SUBJECT : Scheduling of Military Estimates

1. Thank you for your comments on our draft paper of 6 June. We have a broad measure of consensus, with the exception of State's concern that some of the value of the present [redacted] would be lost. I think that we can adjust the Terms of Reference for the new estimate we propose to take care of this problem.

2. Attached is a revised draft incorporating this and other minor changes. I now plan to submit this to the DCI and seek his guidance as to whether he wishes to discuss this further with the Secretaries and Dr. Brzezinski.
